

***WELCOME TO
THE UNIVERSITY
OF WINDSOR***

LAND ACKNOWLEDGEMENT

The University of Windsor sits on the traditional territory of the Three Fires Confederacy of First Nations, which includes the Ojibwa, the Odawa, and the Potawatomi. We respect the longstanding relationships with First Nations people in this place in the 100-mile Windsor-Essex peninsula and the straits – les détroits – of Detroit.

HIGH SCHOOL VS. UNIVERSITY

High School	University
Everyone has the same schedule	You make your own schedule
Classes all have 35 people or under	Classes can have anywhere from 10-450 people
Short and often not mandatory readings from textbooks	Heavy (anywhere from 5-15 hours a week) reading load
Frequent assignments, tests that make up small % of overall grade	Typically, fewer assignments for larger % of marks
Teachers actively develop relationship with students	Instructors only develop relationships with students who connect with them

Some important differences to take note of.....
