Winter Orientation

***PART TIME
AND PROUD.***

**PART TIME
AND PROUD.**

Our Mission & Mandate

- OPUS is a dynamic organization that advocates and promotes a rewarding University of Windsor experience for part-time students.
- We believe that part-time & mature students have different needs, concerns distinct from those of the rest of the undergraduate student body.
- These students work hard to balance their many responsibilities of home, family, work and education.
- OPUS strives and advocates to help students cope with the additional pressure of studies and the adjustment to an academic environment.

Travel & more!!!

Part-time and mature undergraduate students have access to an affordable and accessible benefits plan.

Part-time undergraduate distance education, co-op, internship/practicum, English Language Improvement Program (ELIP) and senior students are able to opt-in to this plan.

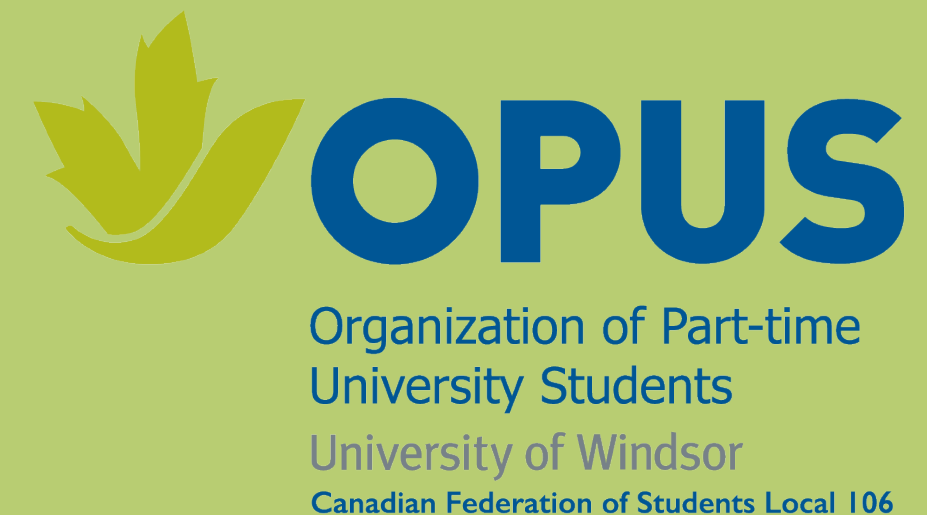

Students are also able to opt-in their spouse and/or children. If you must have existing comparable coverage elsewhere, you're able to opt-out.

If you already have coverage, you can remain on this plan to maximize your coverage, also known as 'coordination of benefits'.

For more information, contact the Benefits Plan Administrator opus@uwindsor.ca, phone (519) 971-3603 or CAW SC 172.
