

## Honours Law and Politics

Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

Students should keep this checklist of courses throughout their time in the Law and Politics program, and should consult it with their academic counselor before registering for courses each semester. While this form is **not a substitute for the official degree audit from the Registrar's office, or for the listing of courses completed and required as accessed through UWinsite Student**, it should help students plan their academic schedule and stay on track within the program. The program requirements and options listed below are current for **students entering in the Fall 2020 semester**. There are minor differences for students who started the Law and Politics program prior to this; check UWinsite, the official program requirements on the Registrar website, and with the Political Science academic counselor for your specific requirements.
