

Appendix: Freedom of Speech Annual Report Template (2023)

As indicated in the December 14, 2018 and September 12, 2018 memos from the Ministry of Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

The institutional Freedom of Speech Annual Report will be a public document and should respect privacy obligations. Please report on events or incidents that took place between **August 1, 2022** and **July 31, 2023**.

The reports are to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario (HEQCO) by **September 1, 2023**.

Please submit your institution's annual report and the link to its location on your website to submissions@heqco.ca. Please reach out to HEQCO at the same address with any questions.

Section A: Institutional Policy

You may append additional documentation or institution-specific information as you see fit.

Has your institution amended its free speech policy (or policy framework) since the time of your 2022 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

UWindsor response:

No, our policy has not been amended.

Where are members of the institutional community (or guests) directed when there is a free-speech-related question or complaint about an institutional event? Please provide contact information.

UWindsor Response: Typically, free speech related questions or complaints are directed to either our Office of Student Experience, our Office of Human Rights, Equity and Accessibility, or Campus Community Police. These offices also communicate with central administration as necessary. Office of Student Experience 519-253-3000 Ext. 4211 studentexperience@uwindsor.ca

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

UWindsor Response: Cost and/or safety concerns regarding freedom of expression and the booking of events on campus are borne by the individual(s) who are booking those events. Guidance is available via our event booking website and our Freedom of Expression FAQs website. To our knowledge, there were no instances where a non-curricular event did not proceed due to security concerns or their related costs.

Section B: Complaints

You may append additional documentation or institution-specific information as you see fit.

Between **August 1, 2022** and **July 31, 2023**, did any member of the institutional community (or guests) make an official complaint about free speech? If yes, please provide a general description that protects the privacy of complainants.

UWindsor Response: There have been no incidents of curricular or non-curricular events on campus during this reporting period that caused any member of the institutional community (or guests) to make an official complaint about free speech or free expression on campus.

If there has been an official complaint (or more than one):

What were the issues under consideration? Please identify any points of contention (e.g., security costs, safety, student unions and/or groups, operational requirements, etc.).

How did the institution manage the free speech complaint(s)? Was the complaint addressed using the procedures set out in the policy? How were issues resolved?
