## OUR COMMITMENT TO EXCELLENCE

The University Windsor has everything that you would expect from one of the country's top comprehensive universities – it's student-focused with a broad range of faculties including Engineering, Law, Nursing, Education, Business, Human Kinetics, Science, Graduate Studies and Arts, Humanities and Social Sciences.

Whether it's addressing challenges related to the Great Lakes or to our national borders; helping ensure safe, vibrant and healthy communities, or promoting the environment and sustainable manufacturing, we are making a difference.

We also believe our graduates must leave here "workforce ready" with an immediate capacity to contribute to the growth and liveability of their communities. This is a role we take very seriously. It ensures our innovative and relevant programs, as well as our important research, translate into impactful opportunities for our region, our province, our country and beyond.

We also offer a unique perspective on life in Canada. The University overlooks the Detroit River on one of Canada's most beautiful waterfronts, and is minutes away from North America's busiest international border crossing. Our location speaks to the University's strength as an internationally oriented, multi-disciplined institution that actively enables a broad diversity among our students, faculty and staff. And our student experience is second to none.

The University of Windsor is a place where we take pride in a commitment to excellence that exists throughout our incredible institution.

Sincerely ,

Dr. Robert Gordon  
President and Vice-Chancellor

## CANADA'S #1 RISING STAR UNIVERSITY

Huffington Post, 2017

\$330+ million

invested in new world-class buildings and facilities since 2011

159

faculty appointments in critical and cutting-edge fields since 2016

540+

full-time faculty members

\$75+ million

invested in new downtown campus since 2015; awarded the Ontario Heritage Award for Excellence in Conservation in 2018

TWO OF OUR 136,000+ GRADUATES WHO ARE CHANGING THE WORLD

Emilie Cushman BComm, 2012  
2019 Forbes Top 30 Under 30, Education

Founder, Kira Talent; developing paradigm-shifting university admissions platforms used at Yale, INSEAD, and 150 other institutions

Phil De Luna BSc Chemistry, 2013  
2019 Forbes Top 30 Under 30, Energy

Founder, CERT Technologies; one of 10 global finalists for the \$20 million Carbon XPrize

INNOVATIVE, EXPERIENCE-RICH PROGRAMS AND CERTIFICATES

- Aeronautics Leadership
- Dual JD in Canadian and American Law
- Behaviour, Cognition, and Neuroscience
- Mechanical, Automotive, and Materials Engineering - Aerospace
- International Master's in Automotive Engineering
- Industry-oriented experiential science
- English Editing and Publishing
- Anthrozoology
- Cross-border Visual Arts and the Built Environment
- Siemens Mechatronic Systems Certification Program

“The University saw that there was promise in me and that I had potential. Now, I can reach for the stars and I can go the distance.”

- Crystal Bryan, Aeronautics

\$4.4 million

in external funding for technology-enabled learning from eCampus Ontario (top 3 in province since 2014)

45%

full-time undergraduates enrolled in accredited professional programs

260+

total programs

70+

programs at the graduate and professional levels

13,000+

enrolments in eCampus Ontario award-winning online and technology-enabled programming

## MADE IN WINDSOR: EXTRAORDINARY LEADERS, EXCEPTIONAL TEAMS

**Computer Science:** Top 3 finish in the national 2018 Thales Student Innovation Championship in Artificial Intelligence

**Enactus Windsor strategic philanthropy team:** First in every category, Enactus Canada Regional Exposition in 2016, 2017, and 2019

**Engineering:** Inaugural Rocketry team medalled at the international 2017 Spaceport America Cup

**Hyperloop Team:** One of two Canadian universities represented in the final round of Elon Musk's 2019 Hyperloop Pod Competition

**Lancers Track and Field:** 25 CIS national and 46 provincial championships

**Law:** Three championships in 2019 in national and provincial moot competitions

**Nursing Team:** Golden Stethoscope Award, 2017 Nursing Games

**Windsor International Film Festival:** Powered by students, led by faculty; Canada's second largest volunteer-run film festival

## LIFE-CHANGING EXPERIENCES

Last year, UWindsor students enjoyed international learning opportunities at 37 partner institutions in 18 countries, including glacier research in Iceland.

**“The hands-on experiences available to me at UWindsor opened my eyes to opportunities I can access by thinking beyond our border and following my dreams.”**

- Natalie Pisciotto, School of the Environment

# 1.25 million

hours of service contributed to Windsor-Essex communities

# 400,000+

hours invested in on-the-job learning

# 1,700

student co-op and workplace partnerships

# 63%

increase in co-op enrolment over the last five years

WORLD-CLASS FACULTY

University of Windsor faculty have won more OCUFA teaching awards since 2007 than their peers at any Canadian postsecondary institution besides the University of Toronto. Under their wings, students are soaring.

GROUNDBREAKERS

World-changing UWindsor researchers were awarded an annual average of \$8.9 million in Tri-Council Research Funding in 2014-17, supporting:

- Industrial partnerships
- Industrial innovation
- Community engagement
- Knowledge creation
- Student opportunities
- Ecological innovation
- Social change

Aaron Fisk

Canada Research Chair in Changing Great Lakes Ecosystems  
  
Director, Real-time Aquatic Ecosystems Observation Network

Jennifer Willet

Canada Research Chair in Art, Science and Ecology  
  
Director, INCUBATOR: Hybrid Laboratory at the Intersection of Art, Science, and Technology

Narayan Kar

Canada Research Chair in Electrified Transportation Systems  
  
Director, Centre for Hybrid Automotive Research and Green Energy (CHARGE) Labs

Charlene Senn

Canada Research Chair in Sexual Violence  
  
President, Sexual Assault Resistance Education Training Centre

Bill Anderson

Ontario Research Chair in Cross-Border Transportation Policy  
  
Director, Cross-Border Institute

RIISING STARS:  
THE NEXT GENERATION OF RESEARCH LEADERSHIP

Four of our 159 new high-flying faculty:

Arezoo Emadi

first-year students awarded paid four-year  
research-based internships each year  
through Outstanding Scholars program

**“I love going to school in Windsor.  
The University’s convenient location  
across from Detroit multiplies the  
available benefits and experiences!”**

- Kate Boycott, BComm Honours Business Administration Candidate 2020

**\$480,000+**

invested in new  
mental health initiatives

**2,300**

external experiential  
learning partners

**\$350,000+**

saved by students from  
open-textbook adoption  
(a province-leading number)

**18%**

international students  
(from 85 countries)

## WINDSOR/DETROIT: AN INTERNATIONAL REGION UNIQUE IN THE WORLD

Windsor-Detroit is North America's most populous cross-border conurbation, and the second largest in the world.

Windsor is:

- Canada's most ethnically diverse city outside Toronto, Montreal, and Vancouver
- North America's most business-friendly small city (FDI American Cities of the Future 2017/18)

# 5,700,000

people live in Windsor-Detroit

# 25%

of Canada-U.S. bilateral trade  
crosses the Windsor-Detroit border

# 17
