Instructions for Creating the Collated PDF
for Appendix A – Faculty CVs
Cyclical Program Review

The individual pdfs of each faculty member IQAP CV are to be combined into a **single collated pdf document** with a Table of Contents included (Table of Contents template is below).

Faculty CVs must be listed alphabetically and grouped under the same categories as in Table 8 *“Faculty members by field/program”* of the self-study document.

A sample organization and table of contents is provided below.

Use the Title page below as the cover to your collated CV PDF document.
