

New for Winter 2022

UWindsor Winter 2022 courses will be delivered through a blend of face-to-face and online courses. There are some important pieces of information that will help you with course registration for the Winter 2022 semester. These include new definitions for how classes may be offered and what you need to keep in mind when registering for these classes.

Vaccination Attestation

Registration in courses involving face-to-face components is restricted to students who have attested to their vaccination status at uwindsor.ca/vaccine AND have either a) uploaded their proof of full vaccination, or b) have received an exemption to the [University of Windsor's Vaccination Policy](#) for medical reasons or under the ground of Creed (or religion) protected under the Ontario Human Rights Code. Students who fail to meet these requirements will be de-registered from such courses.

1	Open	Regular Semester (R)	LEC - Class Sect 1 - Class Nbr 1153	09/09/2021 - 12/08/2021	Not Applicable	Asynchronous Online

If you see “Not Applicable” listed under Days and Times when adding a course to your shopping cart in UWinsite Student, it means the course will be offered asynchronously. Asynchronous courses are usually designed without components such as live lectures or class meetings, and often have highly flexible schedules.

Another way that an asynchronous course may be designated is through the Room associated with the class. If the room is listed as 'Asynchronous Online', it means the course will be offered asynchronously. As stated above, asynchronous courses are usually designed without components such as live lectures or class meetings, and often have highly flexible schedules.

If you see Days and Times listed for a course along with associated Room of 'Synchronous Online' when adding a course in UWinsite Student, it means the course will be offered online but at a scheduled meeting time. Synchronous courses are usually designed and facilitated using digital/web-based technologies. Classes meet online in real-time at scheduled meeting times.

1	Open	Regular Semester (R)	LEC - Class Sect 1A - Class Nbr 3175	09/09/2021 - 12/08/2021	Tuesday Thursday 11:30AM to 12:50PM	Tulda I Leuti Education Ctr 100	Patricia Fagan	Open Seats 20 of 20

Livestream (Hyflex)

If you see two or more sections of a course where the Class has a section number ending in 'A', 'B' or 'O' (for example), where the 'A' or 'B' section has a classroom associated with it and the 'O' section has the associated Room of 'Livestream (Hyflex)', it means the course is hyflex. This means that you have the option to select either the face-to-face section ('A' or 'B') OR the online section ('O') when registering. Hyflex courses mean the content is designed to provide choice to students in how they learn. Students in the online section will join real-time classes via digital or web-based technologies. All students, regardless of the section they choose will be participating in the same lecture at the same time, allowing an integration of online and face-to-face learners. Examinations in Hyflex courses will take place online.

Face to Face – In Person

If you see a class with a schedule Day and Time as well as a classroom assigned under Room it means that the course will be offered face to face/in person only. There may be limited opportunities to have an accommodation for online learning in discussion with the Instructor.
