# Before You Begin

If you are a new UWindsor student, you will need to complete the following items before you start to register for classes:

- Review and accept your offer of admission from UWindsor.
- Set up your multi-factor authentication options.
- Extend your UWin Account.

If you need help with any of these tasks, visit the Next Steps website at [www.uwindsor.ca/nextsteps](http://www.uwindsor.ca/nextsteps). The What To Do Next timeline addresses each item and links to resources to assist you.

A screenshot of a website page titled "WHAT TO DO NEXT?". The page has a light grey background with a large, faint watermark of the University of Windsor crest. At the top, the title "WHAT TO DO NEXT?" is in bold black letters. Below the title, there is a paragraph of text: "Registering your courses will take careful planning to ensure you get the class schedule that works best for you. The steps below will help you get started but if you're having trouble at any point contact your program or reach out to us at ask.UWindsor." Below this text is a form with two dropdown menus: "Level Of Study" set to "Undergraduate" and "Enrolment Term" set to "Fall 2020". Below the form is a yellow circular icon with a magnifying glass. The main content area is a white box with a blue border. It contains the text "STEP 1 REVIEW YOUR OFFER" in bold blue letters. Below this, it says "Review your Offer of Admission letter and verify your program. You'll also want to take note of any conditions to your offer of admission and complete them by the date indicated in your letter." At the bottom of the box is a blue button with the text "HOW DO I REVIEW MY OFFER" in white.

# Getting Started in UWinsite Student

UWinsite Student is the University of Windsor's student information platform.

## UWinsite Student Navigation Tips

- UWinsite Student works best in the Google Chrome browser.
- UWinsite Student is a web-based application accessed within an Internet browser. Remember to use UWinsite Student's navigation controls, not your browser's back button.
- UWinsite Student is largely mobile friendly, dynamically adapting according to the size of the browser window on devices like smartphones, tablets, laptops or desktops. **It is recommended, however, to use a laptop or desktop computer for registration.**

## Sign in to UWinsite Student

1. In your web browser, preferably Google Chrome, go to [www.uwindsor.ca/uwinstudent](http://www.uwindsor.ca/uwinstudent).
2. Click the **SIGN IN TO UWINSITE STUDENT** button.
3. On the **Sign in** screen, enter (or select) your **UWinID@uwindsor.ca** (including the "@uwindsor.ca" part). Click the **Next** button.
4. On the **Enter password** screen, enter your **UWin Account password**. Click the **Sign in** button.

The screenshot shows the University of Windsor website. At the top left is the University of Windsor logo. To its right is the text "University of Windsor". On the far right of the top navigation bar are links for "FUTURE STUDENTS", "uwin.UWindsor", a search icon, and a "MENU" button. Below the navigation bar is a large image of a group of diverse students sitting together and looking at a laptop. Below the image is the heading "UWinsite Student". To the left of the image is a dark grey sidebar menu with the following items: "Office of the Registrar", "Home", "COVID-19 Updates", "Academic Calendars", "Timetable Information", "UWinsite Student" (with a right-pointing arrow), "Transfer Students", "Fee Estimator", "Where do I pay?", "Testing Centre", "Change of Program/Major", "Apply for Re-admission", "Change of Name", and "Degree Verification". Below the image and heading are three blue buttons: "SIGN IN TO UWINSITE STUDENT" (with a mouse cursor icon), "FIRST-TIME ACCOUNT ACTIVATION" (with a star icon), and "UWIN ACCOUNT SERVICES" (with a right-pointing arrow icon). Below each button is a small text box: "UWinID@uwindsor.ca and UWin Account password required." for the first button, "UWin Account activation for first-time and returning students." for the second, and "Extend your UWin Account, change your password, and more." for the third.

## Set Up Your Profile

When you sign in to **UWinsite Student** you will see the **Student Homepage**. This is the default homepage for all current students.

To get started in the system, it is important to set up your profile and ensure your personal information is correct. To validate and/or update your personal information:

1. On the **Student Homepage**, click the **Profile** tile.
2. View or change your personal information through the following tabs in the left navigation menu:
  - Contact Details
  - Addresses
  - Emergency Contacts
  - Personal Details
  - Personal Identification Number
3. Click **Save** if you make any changes to your personal information.

**Note:** If you wish to receive a T2202 (Tuition and Enrolment Certificate) – which is the tuition tax credit form – from UWindsor, you must provide your Social Insurance Number (SIN) in UWinsite Student under **Profile > Personal Details**.

## Share My Information

If you wish to grant access to your academic and/or financial accounts to a family member or sponsor, you will need to provide authorization in UWinsite Student. To share your information:

1. On the **Student Homepage**, click the **Profile** tile.
2. Click the **Share My Information** tab in the left navigation menu.
3. Click **Delegate Access To A New Contact**.
4. Read the Terms and Conditions. If you agree, click **I Accept**.
5. On the **Share My Information - Details** page, enter the required information about the individual to whom you are delegating access. Identify the type(s) of information you are delegating access to by using the checkboxes next to each row in the table.
6. Click the **Save** button.
7. Click **OK** to confirm the submission of your request.

# Registration Fundamentals

## University Academic Calendars

The Academic Calendars are a comprehensive guide to all undergraduate and graduate programs and courses available at the University of Windsor. They outline the academic regulations and standards, program degree requirements, and general University policies for all undergraduate and graduate programs (with the exception of Law).

The official calendars are available from [www.uwindsor.ca/academic-calendars](http://www.uwindsor.ca/academic-calendars). The University of Windsor publishes web calendars on a semester basis (Fall, Winter, and Spring). Please become familiar with these regulations.

**Note:** Students may follow the academic rules and program regulations set out in the calendar of the term in which they were first admitted to the program or any subsequent calendar.

## Timetables

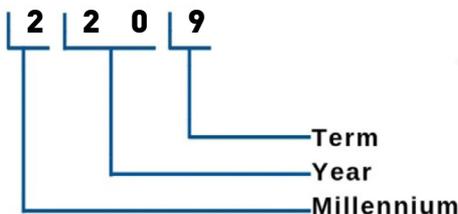

Once published, timetables for a term are available online at [www.uwindsor.ca/timetables](http://www.uwindsor.ca/timetables).

## Term Naming

In UWinsite Student, terms are displayed as four-digit numbers:

Millennium (1 digit) + Year (2 digits) + Month when the term starts (1 digit)

In the example below, 2209, represents the Fall 2020 term.

Term Descriptor	Term Description
1	Winter
5	Inter/Summer
9	Fall

## Course Codes

University of Windsor course codes begin with a four-letter subject code identifying the discipline followed by the catalogue number. The first digit of the catalogue number signifies the level of study, while the last three digits are determined by the academic area.

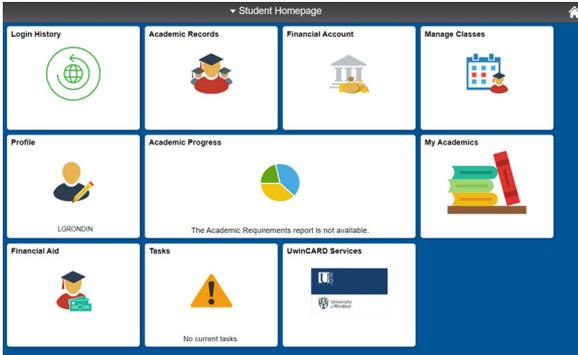

SUBJECT CODE	CATALOGUE NUMBER
BIOL	1   400

First digit signifies level of study:

- 1xxx - first year undergraduate course
- 2xxx - second year undergraduate course
- 3xxx - third year undergraduate course
- 4xxx - fourth year undergraduate course
- 5xxx - second-entry programs (Education, Law)
- 6xxx - post baccalaureate diploma or certificate courses
- 8xxx - Masters and Doctoral level courses
- 9xxx - Doctoral level courses

# Manage Classes

To plan your courses and register in classes in UWinsite Student, you will use the **Manage Classes** tile on the Student Homepage.

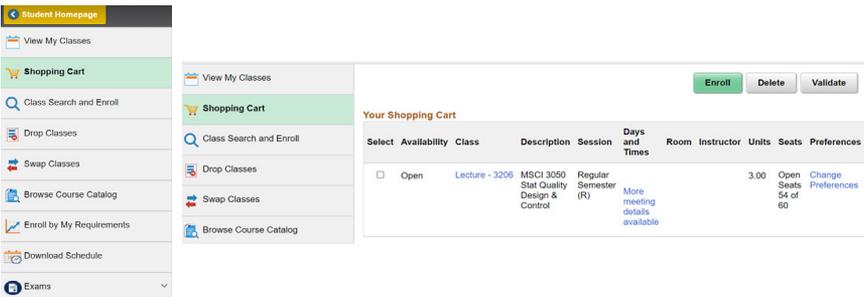

# Shopping Cart

The Shopping Cart functions like a planner in UWinsite Student. It is found under the **Manage Classes** tile.

The Shopping Cart allows you to plan and view all of your classes prior to your registration appointment time. It is important to note, however, **that you are not enrolled in the classes in your Shopping Cart.**

In your Shopping Cart you have the option to **Validate** your classes against your academic plan, **Delete** courses you no longer wish to take prior to enrolment, and/or **Enrol** in multiple classes at one time, once your registration appointment opens.

## Final Exam Schedule

Consistent with exam scheduling practices at other Canadian universities, UWindsor releases its final exam schedule after the semester is underway. This timeline is designed to reduce the number of conflicts in the exam schedule. As a result, **your final exam dates will not be known when you register for your classes.** Final exam dates and times will therefore not be included in your course outlines at the start of the semester. To find out when final exam schedules are posted, please read [this ask.UWindsor article](#).

The dates for final exam periods are posted on the Office of the Registrar's website. You must be available for the entire [final exam period](#) for the session/semester in which you are enrolled.

# New for Winter 2022

UWindsor Winter 2022 courses will be delivered through a blend of face-to-face and online courses. There are some important pieces of information that will help you with course registration for the Winter 2022 semester. These include new definitions for how classes may be offered and what you need to keep in mind when registering for these classes.

## Vaccination Attestation

Registration in courses involving face-to-face components is restricted to students who have attested to their vaccination status at [uwindsor.ca/vaccine](http://uwindsor.ca/vaccine) AND have either a) uploaded their proof of full vaccination, or b) have received an exemption to the [University of Windsor's Vaccination Policy](#) for medical reasons or under the ground of Creed (or religion) protected under the Ontario Human Rights Code. Students who fail to meet these requirements will be de-registered from such courses.

## Not Applicable/Blank

**PHIL 1100**  
Introduction to Western Philosophy

★ Add to favorite courses

▼ Class Selection

Select a class option ⓘ

Option	Status	Session	Class	Meeting Dates	Days and Times	Room
1	Open	Regular Semester (R)	LEC - Class Sect 1 - Class Nbr 1153	09/09/2021 - 12/08/2021	Not Applicable	Asynchronous Online

If you see “Not Applicable” listed under Days and Times when adding a course to your shopping cart in UWinsite Student, it means the course will be offered asynchronously. Asynchronous courses are usually designed without components such as live lectures or class meetings, and often have highly flexible schedules.

## Asynchronous Online

**PHIL 1100**  
Introduction to Western Philosophy

★ Add to favorite courses

► Course Information

▼ Class Selection

Select a class option ⓘ Selected Filters 2 options

Option	Status	Session	Class	Meeting Dates	Days and Times	Room	Instructor	Seats
1	Open	Regular Semester (R)	LEC - Class Sect 1 - Class Nbr 1153	09/09/2021 - 12/08/2021	Not Applicable	Asynchronous Online	Brian Macpherson	Open Seats 40 of 40

Another way that an asynchronous course may be designated is through the Room associated with the class. If the room is listed as 'Asynchronous Online', it means the course will be offered asynchronously. As stated above, asynchronous courses are usually designed without components such as live lectures or class meetings, and often have highly flexible schedules.

## Synchronous Online

1	Open	Regular Semester (R)	LEC - Class Sect 1 - Class Nbr 1719	09/09/2021 - 12/08/2021	Wednesday 4:00PM to 6:50PM	Synchronous Online	Hajar Fatemi-Shariatpanahi	Open Seats 30 of 30

If you see Days and Times listed for a course along with associated Room of 'Synchronous Online' when adding a course in UWinsite Student, it means the course will be offered online but at a scheduled meeting time. Synchronous courses are usually designed and facilitated using digital/web-based technologies. Classes meet online in real-time at scheduled meeting times.

GREK 1100

★ Add to favorite courses

▶ Course Information

▼ Class Selection

Select a class option

Selected Filters 2 options

Option	Status	Session	Class	Meeting Dates	Days and Times	Room	Instructor	Seats
1	Open	Regular Semester (R)	LEC - Class Sect 1A - Class Nbr 3175	09/09/2021 - 12/08/2021	Tuesday Thursday 11:30AM to 12:50PM	Tulda I Leuti Education Ctr 100	Patricia Fagan	Open Seats 20 of 20
2	Open	Regular Semester (R)	LEC - Class Sect 1O - Class Nbr 3838	09/09/2021 - 12/08/2021	Tuesday Thursday 11:30AM to 12:50PM	Livestream (Hyflex)	Patricia Fagan	Open Seats 15 of 15

## Livestream (Hyflex)

If you see two or more sections of a course where the Class has a section number ending in 'A', 'B' or 'O' (for example), where the 'A' or 'B' section has a classroom associated with it and the 'O' section has the associated Room of 'Livestream (Hyflex)', it means the course is hyflex. This means that you have the option to select either the face-to-face section ('A' or 'B') OR the online section ('O') when registering. Hyflex courses mean the content is designed to provide choice to students in how they learn. Students in the online section will join real-time classes via digital or web-based technologies. All students, regardless of the section they choose will be participating in the same lecture at the same time, allowing an integration of online and face-to-face learners. Examinations in Hyflex courses will take place online.

## Face to Face – In Person

If you see a class with a schedule Day and Time as well as a classroom assigned under Room it means that the course will be offered face to face/in person only. There may be limited opportunities to have an accommodation for online learning in discussion with the Instructor.

Information on seating reserves and other information about the seats available in a class may be found under 'Class Availability'. This will provide information about whether some seats have been set aside for specific groups of students.

# Planning Your Classes in UWinsite Student

You can start planning your classes and adding them to your Shopping Cart in UWinsite Student when the validation period opens. The validation period is when the timetable for the next semester is close to final and the courses being offered are visible in UWinsite Student. Typically, the validation period starts two to three weeks before registration begins.

The preferred method for placing your classes into the **Shopping Cart** is through **Class Search and Enrol**. This method shows you just the courses that are offered during the term for which you are planning.

To get started planning your classes:

1. On the **Student Homepage**, click the **Manage Classes** tile.
2. Click the **Class Search & Enrol** tab in the left navigation menu.
3. Select the term in which you will be registering.
4. In the **Search for Classes** field, enter a subject area, topic or course code.
5. From the **Search Results**, select a course.
6. On the **Course Information** page you will see all class sections for the term you selected. Some classes have one section while others have multiple sections. Under **Class Selection**, you can view the time, date, instructor, location and available seats for each section of the class.
7. Select a class section. You can click anywhere on the class *except* for the Lecture or Lab link to select it.

8. You'll now be directed to the confirmation process:

- Review **Class Selection** and click **Next**.
- Review **Class Preferences**.
  - o This is where you have the option to add yourself to the waitlist if the class is full. Select **Yes** if this will not put you in course overload (normally 5 classes, but check your program).
  - o Select **No** if having this course on the waitlist would put you in course overload. You will instead need to use **Swap Classes** so UWinsite Student knows what course to drop if you are to reach the top of the waitlist. (See the Swap Classes section on page 14 for details on how to set up a swap.)
  - o Click **Accept**.
- On the **Enrol or Add to Cart** page, click the **Add to Shopping Cart** radio button and then click **Next**.
- On the **Review and Submit** page, review your selections and then click **Submit**.
- A confirmation pop-up window will ask "Are you sure you want to submit?" Click **Yes** unless you wish to make a change in which case click **No**. Then click **Exit** in the top left corner of the page.

You'll need to repeat the class search and enrol process for your other classes.

We also recommend that you add one or two extra classes to your Shopping Cart in case one of your preferred classes is full when you register. This is particularly important if you plan to register in a full course load. Having one or more extra classes in your Shopping Cart at the time of registration makes it easier to waitlist a course using Swap Classes.

It is important to note that you are NOT registered in any classes at this point! All you have done so far is add classes to your Shopping Cart. The next step is to validate your class selections.

# Validating Your Classes in UWinsite Student

Validating your classes allows you to see if a course fits into your academic plan – that is it fulfills a degree requirement. It also lets you determine if there are any time or pre-requisite conflicts.

To validate your classes:

1. On the **Student Homepage**, click the **Manage Classes** tile.
2. Click the **Shopping Cart** tab in the left navigation menu.
3. Click the radio button beside each class in your Shopping Cart.
4. Click the **Validate** button.
  - A **green check** mark means that the class is valid.
  - A **red X** means the class is not valid. A class may not be valid for a variety of reasons. For example:
    - o There may be a time conflict with another class in your Shopping Cart,
    - o The class may require instructor permission, or
    - o You may not meet the pre-requisite requirement.

✔ **MSCI 3050 - Statistical Quality Design and Control**  
Okay to Add to Class Schedule.

If any of your classes are not valid, you should delete the class from your Shopping Cart and select a different class using Class Search and Enrol. Alternatively, you can leave the class in your Shopping Cart and seek the appropriate permission needed to enrol in it.

Again, please note that you are still NOT registered in any classes yet!

# Registering for Your Classes in UWinsite Student

Registration at UWindsor is by appointment time. Registration appointment times are assigned based on program and level of study. Your registration appointment time is when you can start to register. It is important to register early to have a better chance of getting into the classes that you want to take. Registration does, however, remain open until the tenth day of classes so you may make changes to your courses so long as there is space.

Once registration appointment times are assigned for a term, you can find yours under **My Academics → Enrolment Deadlines**. Your registration appointment time will also be sent to your UWindsor email account.

When your registration appointment time opens:

1. On the **Student Homepage**, click the **Manage Classes** tile.
2. Click the **Shopping Cart** tab in the left navigation menu.
3. Click the radio button next to each of your preferred classes and then click the **Enrol** button.
  - If you are successfully enrolled in a class, you will see a **green check** mark beside it.

Select	Availability	Class	Description	Session	Days and Times	Room	Instructor	Units	Seats
<input checked="" type="checkbox"/>	Open	Lecture - 3206	MSCI 3050 Stat Quality Design & Control	Regular Semester (R)	More meeting details available			3.00	Open Seats: 54 of 60

- If you are not enrolled in a class, you will see a **red X** beside it.
4. There are several reasons why you might not be successfully enrolled in a class:
  - The class is full.
  - Enrolment in the class is restricted for various reasons. For example: it is reserved for students in particular majors or levels of study.
  - You may be missing a prerequisite (this should not be the case IF you validated your classes).

## Swap Classes

If one of your preferred classes is full, you can add yourself to the waitlist using **Swap Classes**.

1. To start, enrol in one of the extra or back-up classes in your **Shopping Cart**.
2. Click **Swap Classes**. This function adds you to the waitlist of your preferred class and tells UWinsite Student which class to drop should you move to the top of the waitlist.
3. Select your extra or back-up class from your schedule from the **Swap This Class** drop-down menu.
4. Select your preferred class under **With This Class** using the **Select from Shopping Cart** drop-down menu.

5. Review your class selection. Click the **Next** button.
6. Review the class preferences. Select the **Yes** option to be added to the waitlist. Click the **Accept** button.
7. Confirm the class swap. Click the **Submit** button.

A couple of things to remember about waitlisted classes:

- Just because you are on a waitlist does not mean you are guaranteed to get into the class.
- Even if you are the first on the list, you might not be the first to enrol. Enrolment depends on your program requirements. Read and understand them well.
- You cannot put your name on the waiting list if you do not have the prerequisites for the course or if the spots are reserved for a specific program.

## You are now registered in your classes!

A couple of important reminders:

- You can add a class up until the last day for late registration which is the tenth day of classes.
- You can also switch a class up until the last day for late registration – use the Swap Class function to do so.
- In addition, you can drop a class anytime during the withdrawal period.  
To see UWindsor's important dates, visit the Office of the Registrar's website at [www.uwindsor.ca/registrar](http://www.uwindsor.ca/registrar).

# A Few Final Notes

## Browse Course Catalog

Please note the **Browse Course Catalog** function will show all courses offered throughout the year including classes that may not be offered in the current semester.

Browse Course Catalog, however, is helpful if you're looking to see all courses in a particular program or for finding and selecting electives from programs with which you are unfamiliar.

To browse the course catalog:

1. Click the **Manage Classes** tile on the **Student Homepage**.
2. Select the **Browse Course Catalogue** tab in the left navigation menu.
3. Enter a keyword (e.g., course, subject).
4. If the View Search Results page returns too many results, use the filters on the left side of the page to narrow down your results.
5. Select the desired course. To see when this course is offered, click **View Classes**.

## View and Download Your Schedule

After you've registered in your classes, you can view and download your schedule. Both functions are found under **Manage Classes**.

To view your schedule:

1. Click **View My Class** in the left navigation.
2. You will be able to view your classes **By Class** or **By Date**.
3. Selecting a class allows you to view **Class Information** such as class dates and times, instructors and textbook information.

You can also download your schedule to your calendar application:

1. Click **Download Schedule** in the left navigation menu.
2. In the **Calendar Name** field, enter a name for your schedule to be displayed in your calendar application.
3. Under **How would you like to download your schedule**, choose the radio button for **Download ICS**.
4. Select "Yes" to **Include My Class Schedule**. (You will be able to select exam schedule when it is available.)
5. Select "Yes" to **Institution Calendar**.
6. Click **Save**. You will receive a message that says your schedule has been saved successfully.
7. Click **Export ICS**.
8. The ICS file will download to your computer. To add the schedule to your calendar application, open the calendar you want to add it to, then drag and drop the ICS file into the calendar.
