Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE

Residence offers you the chance to immerse yourself in campus life. You will be part of a community who supports your personal growth academically and socially. Our focus in residence is life outside the classroom and we make it easy for you to live independently while supporting you along the way.

You can participate in events, work as a desk services staff, or serve on a residence committee.

Staff are on-call 24/7 and resident assistants (RAs) are here to help you make friends and become part of the UWindsor community.

Choose your residency experience to the right.

- LIVING LEARNING COMMUNITIES: Live with students who share your academic program. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Engineering, Nursing and Science Communities.

- CHOICE OF ROOMMATES: A preferred roommate can be requested. Both students must identify each other on their residence application. If a roommate is not specified, you will be matched based on preferences selected on your residence application.

- RESIDENCE GUARANTEE: Accommodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability.

### What do you enjoy most about living in residence?

**ALYSSA**

I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my roommates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

**EMILY**

I enjoy the community and the RAs. Because of the multiple residence events it is a great way to make friends and to feel less alone especially when you aren’t from Windsor. I would recommend residence to anybody, especially for first year. It’s a safe, supportive place to live when you have never lived alone before. It gives you the experience to begin adulthood, but with helpful outlets.

**CALEB**

I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Being close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.
After first year, you're welcome to come back to the UWindsor Residence!

Return to residence and you will be guaranteed a single room and you can choose the room if you apply by the deadline date. You can apply to return to Residence every year you are a student at the University of Windsor!
