- B. WITHDRAWALS
- C. FEES
- D. CANCELLATIONS

## A. RESIDENCES

1. Residence Services grants a Licence to the student (herein after, referred to as "Resident") to occupy residence premises in a University of Windsor Residence Hall for personal living accommodations for the period commencing September 4, 2016 and terminating April 22, 2017 (Licence Period) or 24 hours after the Resident's last scheduled exam, whichever comes first (the "Termination Date"). To be eligible to live in residence, a student must be enrolled at the University, otherwise they will be required to leave residence pursuant to:
  - (a) The Parties acknowledge that the Licence Period reflects the University's academic year and that any changes to the academic year may change the Licence Period.
2. Room assignments are made at the sole discretion of Residence Services. Students are not guaranteed their choice of residence, room or room-mate. Residence Services reserves the right to relocate a Resident. If for any reason the relocation results in a higher rate of accommodation, the Resident must pay the prorated increase in full.
3. A Resident who wishes to stay in residence between the Fall and Winter semesters, must submit an Extension Form electronically to Residence Services. There is no additional charge for this time period but such request is subject to approval by Residence Services, in its sole discretion. Please refer to the Residence Student Handbook for policy details.
4. A Resident who is required to stay after April 22, 2017, must submit an Extension Form electronically to Residence Services by March 13, 2017 at 8:00 am. Such extension is subject to approval by Residence Services, in its sole discretion. An extension fee of \$50 per night will apply, unless other agreements are made.
5. Residence Services subscribes to the principle that Residents are entitled to enjoy a reasonable right to privacy in residence rooms, however, Residence Services reserves the right to have University employees enter the rooms upon such notice as is reasonable in the circumstances without the student being present, under the following conditions: to inspect, repair or service the premises; to provide health and safety checks, to conduct fire inspection tests; where there is reasonable cause to believe that an emergency situation has arisen and access is required; when a student vacates the room for break period; to conduct room checks and semester end wrap up duties; to turn off radios, TV's and alarm clocks etc. left at disruptive volumes when the student is not home; and/or when there is reasonable cause to believe that University regulations and/or the law is being violated. Resident student may or may not be in attendance at the time of inspection.
6. Any charges relating to loss or damage of the University Residence will be charged to the Resident's University account.
7. Any charges relating to cable or internet service from an outside provider are the sole responsibility of the Resident.

## B. WITHDRAWALS

8. In the event that a Resident withdraws academically, is required to withdraw from the University or is released with cause by Residence Services, a prorated adjustment will be made to the Resident's account for the residence portion of their contract, provided the following conditions are met:
  - a) The Resident must submit a Withdrawal Form electronically to Residence Services (Residence Withdrawal Request) indicating their intention to withdraw from Residence and the effective date of that withdrawal.
  - b) The Withdrawal Form must be received by Residence Services before November 16, 2016 (subject to change based on approval) for the Fall Term and March 15, 2017 (subject to change based on approval) for the Winter Term in order for a partial refund to be received. No refunds will be available after these dates.
  - c) A \$200.00 processing fee and all other applicable fees will be charged to the Resident in respect of their withdrawal.
  - d) A Resident who has withdrawn and subsequently re-registers prior to the termination date of the agreement, will be responsible for and will pay the full sum owing to their termination date.
  - e) A prorated refund will be applied to the Resident's meal plan account. The adjustment cannot exceed the balance remaining in the account and no refunds will be available after November 16, 2016 (subject to change based on approval) for the fall term and March 15, 2017 (subject to change based on approval) for the winter term. No refunds will apply to the Capital Fund and Fixed Overhead charges applied to the meal plan. A \$50 administrative fee will be applied at the time of the Meal Plan adjustment.
  - f) Where a resident is released from his/her contract with cause by Residence Services, a financial penalty of up to but not exceeding the full residence fee may be assessed.
9. A Resident may seek a release from Residence Services in respect of the agreement only in the circumstance where the Resident finds a suitable replacement who is acceptable to Residence Services and who is not already living in or made application to

Residence Services. A release may be granted at the sole discretion of Residence Services. The Resident will be subject to a \$100 processing fee. A proration of the non-refundable fees will be charged to both students.

- When a withdrawal is approved, a Resident must meet with their Resident Assistant or Facility Coordinator to perform a proper check out and to return their residence keys. In special circumstances, a Resident may use the express check out process. Failure to do so will result in the student being charged under the Residence check out procedures.
