RESIDENCE: OUR FOCUS IS YOU

RESIDENCE LIFE

Residence is so much more than just a place to live. It's a chance to be a part of a community which supports your academic goals and personal development. Living on campus puts you just steps away from your classes, Lancer events, social activities and study halls.

SUPPORT AROUND THE CLOCK

Living in residence means you're not alone when you need help. Resident assistants (RA) and resident assistant academics (RA-A) help you transition to university life, help you make friends, and help you become a part of the Lancer community. What's more, we have full-time staff who live on campus and are on-call 24/7.

GET INVOLVED

Our focus in residence is life outside the classroom. You can participate in clubs, become a team leader for residence events, work as desk staff or serve on a residence committee.

LIVING-LEARNING COMMUNITIES

Live with students who share your academic program or area of interest. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Resident assistants and peer mentors design specialized programs that focus on personal and career development in your area of study or interest. Our current offerings include Engineering, Nursing and Science.

CHOICE OF ROOMMATES

A preferred roommate can be requested. Both students must identify each other on their residence application.

SPECIAL CONSIDERATIONS

A limited number of rooms are available to students who require special accommodations. We make every effort to place students in facilities that best meet their requirements. Please visit www.uwindsor.ca/residence

RESIDENCE GUARANTEE

Accommodations are guaranteed for first-year students who apply and submit a \$475 deposit by the deadline date. After that date, assignments are based on availability. Complete an application at www.uwindsor.ca/residence/apply

Note: An offer of residence does not constitute an offer of acceptance to an academic program.

MEAL PLANS

All residence students must choose a meal plan from a variety of options, with values ranging from \$4,496 to \$5,196. They may use the meal plan to pay for food at outlets on campus as well as several nearby restaurants. Please visit www.uwindsor.ca/food for more information.

BOOKSTORE PLAN

For the ultimate in convenience, you can now add a Bookstore Plan to your Student ID Card.

The plan amount is \$1,000 and is used exclusively at the Campus Bookstore to purchase anything including all textbooks, both new and used, school supplies and UWindsor clothing for both the Fall and Winter semesters.

The Bookstore Plan is part of your UWinCARD ID card, just like your Meal Plan. Every time you make a purchase at the Campus Bookstore, the cost of that purchase will be deducted from your Bookstore Plan.

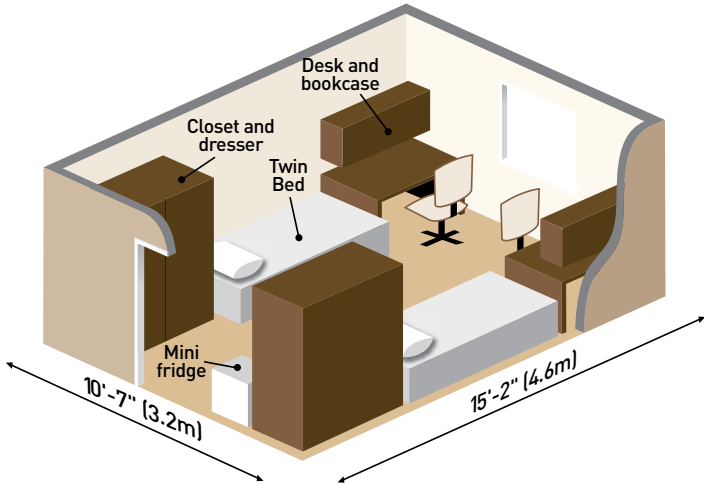

Any bookstore money not spent at the end of the school year can be refunded upon request or will automatically be carried over.
