

Department of Biomedical Sciences

Sessional Appointment – Summer 2026 May 4 – August 5, 2026

In accordance with section 54-07 of the 2017-2021 Collective Agreement, the Department invites applications from qualified individuals interested in teaching the following courses:

<p>BIOM 2021-95 Human Anatomy</p> <p>(Lecture online Asynchronous)</p>	<p>Systemic analysis of the structure of the human body, including gross and microscopic morphology. Topics include anatomical terminology and structures of cells, tissues and the major organ systems. Practical laboratory will complement lectures with emphasis on gross dissection. (3 lecture, 2 laboratory hours a week.)</p> <p>Lecture: online - Asynchronous May 4 – August 5, 2026 Lecture: <u>online asynchronous</u></p>
---	---

**The courses above are subject to budgetary approval and sufficient enrollment.*

For additional information, contact the Department of Biomedical Sciences at biomedsci@uwindsor.ca. As required by the Collective Agreement, the Department of Biomedical Sciences is hereby calling for applications from members of the Faculty Association who are suitably qualified and interested in teaching the above-mentioned course for the Summer/Intersession 2024 semester.

Applicants who have not previously taught courses in the Department of Biomedical Sciences are asked to submit a letter of interest and a full C.V. Please email your C.V. etc. to biomedsci@uwindsor.ca

Applicants from outside the University of Windsor will be expected to provide three letters of reference. The appointment to this position is subject to final budgetary approval.

Dr. Andrew Hubberstey
Department Head
Department of Biomedical
