Department of Biomedical Sciences Sessional Appointments – Fall 2026

In accordance with section 54-07 of the 2017-2021 Collective Agreement, the Department invites applications from qualified individuals interested in teaching the following courses:

IHSC 1000 Foundations in Interdisciplinary Health Sciences	This course will introduce students to the interdisciplinary field of health sciences, including definitions of health, wellness, and illness from multiple perspectives (e.g., biological, behavioural, social, environmental). Students will be exposed to various areas of specialization including: healthcare economics, healthcare informatics, health and aging, health and society, Indigenous health, healthy spaces and places, medical humanities, environmental health, and one health. Current health science issues within the community and media will be presented. (This course is restricted to students enrolled in an Interdisciplinary Health Sciences Stream). Lecture Thursday -2:30 to 5:20pm
IHSC 3000 Health Promotion and Translation	This course will introduce students to health promotion and knowledge translation activities. In particular, students will gain skills in the analysis, synthesis, evaluation, and dissemination of evidence informed research to diverse audiences as well as understand the role of education programs to health, wellness, and illness from multiple perspectives (e.g., biological, behavioural, social, environmental). (This course is restricted to students enrolled in an Interdisciplinary Health Sciences Stream.) (Prerequisites: IHSC-1000) Lecture Tuesday 2:30-5:20pm

**The courses above are subject to budgetary approval and sufficient enrollment.*

Applications must include:

- ☐ A letter of interest in the position
- ☐ A resume outlining relevant work experience, training, teaching experience, honours or awards, publications, and relevant service activities.
- ☐ (Optional) A teaching portfolio demonstrating evidence of teaching excellence. For example: SET scores or other teaching evaluations, course outlines, graduate courses taken, dissertation or thesis topics, evidence of successful teaching, or/and evidence of professional experience.
- ☐ Three letters of reference for applicants from outside the University of Windsor. *Note: Applicants that have submitted letters of reference for Biomedical Science courses within the last 12 months may choose not to resubmit those letters.*

Please submit your application to: biomedsci@uwindsor.ca

by 3:00 p.m. August 24th, 2026.
