## Sessional Appointments –Intersession/Summer 2026

In accordance with article 54:07 of the 2021-2025 Collective Agreement the Windsor University Faculty Association (WUFA) and the Department of Integrative Biology invites applications from qualified individuals interested in teaching the following course, subject to final budgetary approval, course enrollment and appointment of new full-time faculty.

Applicants are required to review University of Windsor Senate Bylaw 51 (Academic Evaluation Procedures) and Article 5:23 to 5:25 of the Collective Agreement with WUFA. Full documentation is available online by visiting the University of Windsor website ([www.uwindsor.ca](http://www.uwindsor.ca)).

<b>BIOL 2040-91</b> <b>Human Physiology I</b>	<b>Intersession-Summer 2026</b>	Introduction to human physiology: a systems approach. Topics include homeostasis and feedback control, enzymes and energy, membrane transport, metabolism, and the nervous, skeletal muscle, and cardiovascular systems. This course is offered using a hybrid modality, where classes are online but all exams will be written in person on campus. (Prerequisites: any two first-year biology courses.) (3 lecture hours a week.)
--	-------------------------------------	---

Applications are to be submitted on or before **January 30, 2026 by 4 PM.**

Applicants are asked to submit:

1. a full C.V. that includes relevant prior teaching experience, academic credentials and publications;
2. a teaching dossier, which includes evidence of teaching effectiveness; and
3. the names and contact details for three people who can provide a reference

For additional information or to submit your application, please email [biosci@uwindsor.ca](mailto:biosci@uwindsor.ca)
