

# Virtual Seminar Series for Undergraduate Physics Students

Fridays 4-5 pm EST  
(1-2 pm PST)

From Nov. 13th, 2020  
- Feb. 5th, 2021

Register at:

[www.uwindsor.ca/physics](http://www.uwindsor.ca/physics)

For more information, contact:  
[physics@uwindsor.ca](mailto:physics@uwindsor.ca)

## Topics include:

Skating on Spin Ice: a tour  
of frustrated magnetism  
and fractionalization

Can ultrafast laser pulses  
make water magnetic?

Healing Humanity  
One Spark at a  
Time: diagnosing  
bacterial pathogens  
with Laser Induced  
Breakdown  
Spectroscopy
