

VOL. 1, ISSUE 1

## A Message from our Director

Welcome to our inauguration newsletter. We are excited to commence our first issue and excited for you to be a part of our launch.

As many of you may know, we are now located at 167 Ferry Street. We are part of the downtown core and are thrilled to be here. Our new building is an interesting mix of historical integrity and modern innovation. We welcome you to visit our building and meet our faculty and staff.

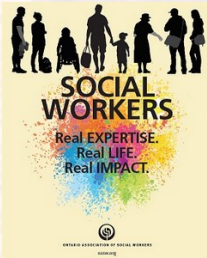

Have a wonderful Social Work Week!

Sincerely,

Robin Wright, MSW, Ph.D.,  
Professor & Director, School of Social Work
