

# CAMPUS EMERGENCIES EXT. 9-1-1

## In Case of Evacuation Students Are Asked to:

- Keep aisle ways and exits clear
- To know evacuation route(s) and exit stairwells from your classroom as elevators cannot be used during an evacuation
- To follow the instructions from the staff fire wardens who wear orange vests

## Should You Require Assistance to Evacuate, in Advance of Evacuation:

- Ensure you have registered with UWindsor Alert at [www.uwindsor.ca/emergency](http://www.uwindsor.ca/emergency)
- Identify a “buddy” to assist you with your personal exit plan. Contact the Emergency Preparedness Coordinator or Student Accessibility Services at

## In An Emergency:

- If you require assistance to evacuate you must self-identify to the Instructor at the time of the emergency
- Instructors will recruit volunteer help to assist students who require assistance to evacuate, or, if impossible to evacuate, to assist in moving to a stairwell to await the arrival of Windsor Fire & Rescue Services. Instructors will notify the staff fire wardens (identified in an orange vest) or Campus Community Police of the location of the student requiring assistance
- If you are unable to exit a building for any reason, call Campus Community Police at ext. 911 or Windsor Police at 911 to provide your exact location

**Please Note:** University of Windsor emergency evacuation procedures are posted throughout the campus and online at [www.uwindsor.ca/safety](http://www.uwindsor.ca/safety)
