University of Windsor

Student Exchange or Study Abroad Experience for students receiving Title IV Federal Student Aid

US students attending the University of Windsor who are taking a Title IV approved program and receiving Title IV funding are eligible for continued Title IV funding if they elect to study for no more than 25% of their academic program on an international exchange program, through one of the approved, University of Windsor Exchange or Study Abroad programs.

A current list of University of Windsor Student Exchange Programs can be found [here](#).
