Complete the information below for both terms if attending Fall and Winter:

I am taking a different number of courses than I reported previously on my OSAP application.

My updated course load is:

Term	Number of Courses
FALL:	
WINTER:	

NOTE: if your study period income has also changed, you must fill out an "Income Update" form as well.

ATTENTION:

▶ If you are contemplating dropping courses but have not done so yet, please check with the Student Awards & Financial Aid Office to ensure you understand the effects on your OSAP funding.

▶ Have you reduced your course load below the 60% required for OSAP eligibility (40% for students with documented permanent disabilities)? If yes, please ensure that you have *officially* withdrawn via UWinsite Student.

This update form is for OSAP purposes only and does not constitute an official academic withdrawal. To withdraw from your courses, please go to UWinsite Student.
