

Title: Procedures for Addressing Student Non-Academic Misconduct

Approved by: President and Vice-Chancellor

Effective: September 15, 2016

1 Preamble

1.1 The objectives and purposes of the University of Windsor are:

- (a) The advancement of learning and the dissemination of knowledge; and
- (b) The intellectual, spiritual, moral, social and physical development of its members and students and the betterment of society. (University of Windsor Act (1962-63, amended 1969))

The pursuit of these objectives, in a safe and mutually respectful environment, requires that all members of the University community act responsibly and with honesty, trust, respect and fairness at all times. As members of the University community, students are therefore expected to conduct themselves with integrity as illustrated by the Student Code of Conduct, the codes of conduct established by their professional discipline and any other applicable policy or procedures. Any student who commits an act of Non-Academic Misconduct, as defined in these procedures may be disciplined in the interest of safeguarding and upholding these objectives. It is the purpose of these procedures to set out a fair and equitable process by which these standards are upheld.

1.2 These procedures apply to all current registered students. These procedures also apply to students registered in the Schulich School of Medicine and Dentistry as agreed to by the University of Windsor and Western University. Faculty and staff discipline is covered under the respective collective agreements and personnel policies and practices.

1.3 For the purpose of these procedures, all communications (including signatures, notices, memos, invitations, decisions, *etc.*) may be electronic.

2 Related Bylaws and Policies include:

Acceptable Use Policy
Behavioural Intervention Plan
Bylaw 33: Student Rights and Freedoms
Sexual Misconduct Policy
Student Code of Conduct
Residence Handbook
Any and all other bylaws, policies, or procedures governing student conduct

3 Definitions

In these procedures:

Academic Integrity and Student Conduct Officer (or designate) may provide information on Non-Academic Misconduct matters and may investigate complaints where requested by the Associate Vice-President, Student Experience.

Adjudicator means the Provost (or designate) who has final and binding jurisdiction over appeals of Decisions of the Associate Vice-President, Student Experience (or designate), with the exception of suspension orders, under section 9, and exclusion from campus orders, and expulsions, which require the approval of the President to be final and binding.

Advisor means family member, friend, advocate, or other Member of the University Community.

Associate Vice-President, Student Experience (or designate) will normally act to investigate and adjudicate Non-Academic Misconduct matters. Where the Associate Vice-President, Student Experience is reporting the Non-Academic Misconduct or in the event of the absence or inability to act of the Associate Vice-President, Student Experience, the President shall designate someone (other than the Provost) to act in the Associate Vice-President, Student Experience's place under these procedures on that particular matter.

Decision(s) means finding of misconduct and sanction, or dismissal.

Legal counsel means a lawyer licensed by the Law Society of Upper Canada, including an individual working under the auspices of a lawyer such as Community Legal Aid student.

Member of the University Community includes Campus Police and any and all faculty members, staff members, and students.

Non-Academic Misconduct means all actions that breach the University's bylaws and policies and that are not academic misconduct.

Parties means the University as represented by the Associate Vice-President, Student Experience (or designate) and the Student.

Party means either the University as represented by the Associate Vice-President, Student Experience (or designate) or the Student.

Restorative Justice is an approach to justice which seeks to repair the harm caused by giving the individuals involved an opportunity to acknowledge responsibility, communicate about the issues and propose their own solutions. This approach seeks reparation and reintegration through collaboration. Restorative justice will take the form of a voluntary confidential mediation that is non-prejudicial to the other procedures set out herein.

Sexual Misconduct Response and Prevention Officer provides confidential support, referrals and assistance to individuals related to experiences of sexual misconduct (within the limits outlined by the Policy on Sexual Misconduct). The Sexual Misconduct Response and Prevention Officer will assist individuals to make informed choices and to navigate relevant institutional and community processes, but will not undertake investigations of incidents of sexual misconduct.

Student means individual who is subject to the Non-Academic Misconduct complaint.

Subject Matter Expert means an individual appointed by the President who is an authority in a particular area or topic, and who will receive and review evidence related to an appeal for the sole purpose of providing professional advice to the Adjudicator, as needed.

Teachable Moment means a learning opportunity for the Student. In the context of Non-Academic Misconduct complaints, teachable moments sometimes can be a more appropriate and effective way of reaching and educating the Student, and mitigating repeat breaches, than the pursuit of a complaint and/or the imposition of any sanction. It is understood that the Associate Vice-President, Student Experience and the Adjudicator may incorporate teachable moments in the review and adjudication of all complaints.

4 Non-Academic Misconduct Complaints

Non-Academic Misconduct complaints may be filed by any Member of the University Community. Such complaints are to be submitted in writing to the Associate Vice-President, Student Experience, including all relevant documentation and evidence in its original form, where possible. Copies of submitted materials should be kept as the University will not return submitted materials. In matters under the University of Windsor Policy on Sexual Misconduct, a survivor, as defined in the Policy, may choose not to request an investigation by the University, and has the right not to participate in any investigation by the University that may occur.

5 Procedures in Cases of Non-Academic Misconduct

5.1 Step 1 – Review and Decision by Associate Vice-President, Student Experience

5.1.1 Where a complaint is submitted to the Associate Vice-President, Student Experience, s/he shall investigate the complaint. As part of the investigation, the Associate Vice-President, Student Experience (or designated investigator) shall request a meeting with the Student to review the evidence in support of the complaint. The Student shall, in advance of the meeting, be informed of the purpose of the meeting, be provided with a copy of the complaint, and be informed that s/he has the right to have an Advisor present at this meeting. In cases where the Student does not respond to the request for a meeting or chooses not to meet with the Associate Vice-President, Student Experience (or designated investigator), the Student shall be informed in writing that the Associate Vice-President, Student Experience will be required to make a decision without the Student's input. No finding of misconduct or disciplinary penalty shall be imposed based solely upon the failure of the Student to meet with the Associate Vice-President, Student Experience (or designated investigator).

In the case of sexual misconduct matters, the Associate Vice-President, Student Experience, if s/he does not have specific training in this area or wishes assistance, will identify an investigator who is specifically trained in dealing with cases of sexual misconduct to conduct the investigation. The investigator shall follow the procedures under this paragraph and 5.1.2 and submit his/her recommendation to the Associate Vice-President, Student Experience.

The investigation shall normally be completed within 28 calendar days of having received the complaint.

5.1.2 Throughout the investigation stage, the merits of potential misconduct cases should be assessed with careful consideration of whether misconduct occurred, to determine:

a) whether the complaint should be dismissed

and/or

b) the advisability of a Teachable Moment, in cases where the act is determined to be the result of a lack of understanding of expectations on the part of the Student. In such cases, a Teachable Moment might be considered in lieu of a sanction.

and/or

c) the advisability of restorative justice if the Student substantially agrees with the contents of the complaint and accepts responsibility for his or her actions. A restorative mediation might be considered in lieu of a sanction.

and/or

d) the need for a disciplinary response, taking into account the nature and scope of the possible misconduct, whether there was intent, the context in which it occurred, the Student's educational and cultural background and other relevant circumstances. Specific illustrations include (this list is not exhaustive):

- Whether the Student accepts responsibility for his/her action and is amenable to educative remedies
- Extenuating circumstances that may help explain the action taken by the Student
- Any other aggravating or mitigating factors (health, personal issues, etc.)
- The severity of the breach, including its impact on others (within and outside the university community)

- 5.1.3 Having completed the investigation, the Associate Vice-President, Student Experience shall either:
- a) dismiss the complaint; or
 - b) determine that Non-Academic Misconduct occurred, and impose a sanction (see Appendix A for list of sanctions); or
 - c) attempt to mediate, with the consent of the individual who filed the complaint and the Student (and his/her Advisor), a settlement of the dispute. If a mediated settlement is not reached, the AVP,SE shall decide between (a) or (b) above; or
 - d) attempt a restorative mediation if the Student substantially agrees with the contents of the complaint and accepts responsibility for his or her action and the individual who filed the complaint and the Student consent. The focus of a restorative mediation is on identifying and repairing any harm caused to individuals, relationships, and property, and on helping the Student to make better future choices. If at any time the Student is unwilling to accept responsibility or either party does not want to continue with the process, the restorative mediation will cease. Whether a restorative mediation occurs does not preclude the AVP, SE from also deciding between (a), (b) or (c).

In the case of either (a), (b), (c) or (d) above, the Associate Vice-President, Student Experience may offer a Teachable Moment, as appropriate.

Upon a finding of Non-Academic Misconduct and when imposing a sanction, the Associate Vice-President, Student Experience shall take into consideration the nature and scope of the Non-Academic Misconduct, whether there was intent, the context in which it occurred, the Student's educational and cultural background, whether this was a first breach (see 8.1), and other relevant circumstances (see 5.1.2).

- 5.1.4 The Associate Vice-President, Student Experience shall inform the Student of the Decision and his/her right of appeal to the Adjudicator and the process to be followed. This shall normally be done within 35 calendar days after having received the complaint.

5.2 Step 2 – Appeal

- 5.2.1 Students have an automatic right of appeal to the Adjudicator (see section 6). A Student wishing to exercise his/her right to appeal a finding of Non-Academic Misconduct and/or sanction imposed by the Associate Vice-President, Student Experience shall initiate the appeal process within 14 calendar days of having received the Decision of the Associate Vice-President, Student Experience. The Decision shall be deemed to have been received by the Student three calendar days after it has been sent by the Associate Vice-President, Student Experience to the Student's UWin email address. The Adjudicator has the power to extend this deadline when the interests of justice warrant or where no substantial prejudice would result.

- 5.2.2 With the exception of suspension or exclusion from campus orders under section 9, exclusion from campus facilities orders and expulsion orders, an appeal to the Adjudicator shall operate as a stay on the Decision of the Associate Vice-President, Student Experience.

6 Appeal Procedures

- 6.1 Appeal proceedings shall observe the principles of natural justice including the Parties' rights:
- (a) to be present, unless the Party disrupts the hearing;
 - (b) to present relevant evidence;
 - (c) to question all witnesses at the hearing and to comment upon all documents presented;
 - (d) to an Advisor or Legal Counsel.

- 6.2 Order of proceedings:
- 1) opening statements from the Associate Vice-President, Student Experience and/or the University's Advisor or Legal Counsel
 - 2) opening statements from the Student and/or the Student's Advisor or Legal Counsel
 - 3) evidence presented by the Associate Vice-President, Student Experience and/or the University's Advisor or Legal Counsel
 - 4) cross-examination of witnesses by Student and/or the Student's Advisor or Legal Counsel
 - 5) evidence from the Student and/or the Student's Advisor or Legal Counsel
 - 6) cross-examination of witnesses by Associate Vice-President, Student Experience and/or the University's Advisor or Legal Counsel
 - 7) closing statements from the Associate Vice-President, Student Experience and/or the University's Advisor or Legal Counsel
 - 8) closing statements from the Student and/or the Student's Advisor or Legal Counsel
- 6.3 Hearings should normally be held within 60 calendar days of receipt of the Student's appeal filing.
- 6.4 The Parties will be notified at least 14 calendar days before the hearing, of the date, time, and place of the hearing. This notice period may be waived by the Parties in writing.
- 6.5 If a Party, who has been notified of an appeal date, is absent without contacting the Adjudicator with a satisfactory explanation, the appeal may proceed in his/her absence.
- 6.6 No disciplinary penalties shall be imposed based solely upon the failure of the Student to respond to the complaint, or appear at the appeal, or testify. In any such case, the evidence in support of the complaint shall be presented and considered.
- 6.7 Subject only to the rules of privilege and privacy, the Parties will disclose to each other, at least five calendar days before the hearing, all relevant documents in their possession, including a summary of the evidence witnesses are expected to give, by delivering it directly to the other Party.
- 6.8 The Parties will also disclose to each other the names of witnesses they may call to give evidence; however, the Associate Vice-President, Student Experience may decline to disclose the names of one or more witnesses if s/he determines, in his/her discretion, that disclosure of the name(s) in advance may pose a risk to the safety of any witness. The Adjudicator may order the disclosure of name(s), where s/he deems it appropriate.
- 6.9 The obligation to disclose in Section 6.7 and 6.8 continues throughout the hearing process. Where any evidence is submitted at or very close to the hearing date by one Party pursuant to this continuing obligation to disclose, the Adjudicator may, upon request, grant a recess or adjournment in order to provide the other Party the opportunity to review the additional evidence submitted.
- 6.10 The Parties shall present to the Adjudicator all evidence relevant to the matter under appeal. The evidence may include, but is not limited to, witnesses' testimony, written reports or statements, documents, and information from faculty members, Residence Life staff, or other University staff or students whose input may be of assistance. The Adjudicator may also request such input or ask questions of the Parties or any witness called by the Parties.
- 6.11 The Adjudicator will have control over his/her own procedures and may set additional procedures as necessary provided they are not inconsistent with these procedures and provided they are in accordance with the principles of fairness and natural justice. The Adjudicator will have the power to waive or extend deadlines when the interests of justice warrant or where no substantial prejudice would result.
- 6.12 The Adjudicator may consult with a Subject Matter Expert, who will receive and review information, which shall be free from any identifying information, for the sole purpose of providing professional advice to the

Adjudicator. Any professional advice provided to the Adjudicator by the Subject Matter Expert shall be reported to the Parties who shall be given the opportunity to respond. No identifying information will be submitted to the Subject Matter Expert without the prior consent of the Student. The Subject Matter Expert may attend the hearing with the consent of the Student.

- 6.13 The Adjudicator is not bound by the rules of evidence applicable to judicial proceedings but will be guided by the principles of fairness and natural justice, and will adhere to the rules of privilege and privacy.
- 6.14 The hearing will be open to the public. Where, in the opinion of the Adjudicator, or at the request of either Party, the matters that will be discussed will involve intimate, financial, personal, or other sensitive matters, the Adjudicator may order that the hearing be closed, in which case the proceedings and evidence will be confidential.
- 6.14.1 If the hearing is open to the public, members of the public who are present may not record, participate in, or in any way disrupt, the proceedings.
- 6.14.2 If the hearing is closed to the public, at the discretion of the Adjudicator, others may be permitted to attend the proceedings for training purposes, or other reasonable considerations. The obligation to maintain the confidentiality of the proceedings will be extended to them.
- 6.15 The standard of proof will be on a balance of probabilities.
- 6.16 The Parties will bear their own costs of the proceedings, including the costs associated with producing witnesses, and requesting additional copies of materials already provided. No orders as to costs will be made.
- 6.17 The Adjudicator may issue his/her Decision orally on the date of the hearing, in which case the Decision will be effective as at that date. Whether a Decision is issued orally on the date of the hearing or the Adjudicator reserves judgment, the Adjudicator will inform the Parties to the hearing in writing of his/her finding(s) and the sanction(s), if any, to be imposed, within seven calendar days of the hearing. Decisions of the Adjudicator shall be final and binding, with the exception of suspension orders, under section 9, exclusion from campus orders, and expulsions, which require the approval of the President to be final and binding.
- 6.18 Where, in the opinion of the Adjudicator, or at the request of either Party, the matters that will be discussed will involve intimate, financial, personal, or other sensitive matters, the Adjudicator may order that the final Decision be confidential.
- 6.19 A party may request that the Adjudicator review his/her Decision where:
- a) there are new facts or evidence that could potentially be determinative of the case and that could not reasonably have been obtained earlier;
 - b) the party seeking the review was entitled to but, through no fault of its own, did not receive notice of the appeal hearing; or
 - c) other factors exist that, in the opinion of the Adjudicator, outweigh the University community's interest in the finality of the Decision.

The request shall include reasons for the request, including the basis upon which the Adjudicator is asked to grant the request for review and evidence in support of the request.

A request for a review submitted more than 30 calendar days following the Decision shall not be granted unless the Adjudicator determines that the delay was incurred in good faith and no substantial prejudice will result to any person affected by the delay. A request for a review submitted 2 or more years after the Decision was issued shall not be granted.

The decision of the Adjudicator on a request to review a Decision and the Decision of the Adjudicator following the review, if any, shall be final, subject to that which requires approval of the President.

7 Non-Academic Misconduct and Student Status

Transcripts normally shall not be issued directly to a Student charged with Non-Academic Misconduct while there is a complaint pending. Exceptions to this will be at the discretion of the Associate Vice-President, Student Experience. However, transcripts may be sent directly to institutions, employers and potential employers, upon the request of the Student. If the Student is found to have committed an act of Non-Academic Misconduct and a sanction of suspension and expulsion is imposed which involves a transcript notation, those institutions, employers and potential employers provided with a copy of the Student's transcript shall be sent a revised transcript by the Office of the Registrar.

8 Records of Non-Academic Misconduct

- 8.1 At the conclusion of a matter, and with the exception of complaints that have been dismissed, the Associate Vice-President, Student Experience or the Adjudicator (as the case may be) shall submit a record containing the Student's name, Student number, the nature of the complaint, the finding of Non-Academic Misconduct and the sanction to a central database. The record shall be kept indefinitely. The record shall be used for statistical information purposes and to determine, after a finding of Non-Academic Misconduct and before a sanction is imposed, whether there has been a previous breach. Access to the records in the database shall be restricted to the University Secretariat. Confirmation of first or subsequent breaches shall be provided upon request to the Associate Vice-President, Student Experience and the Adjudicator by the University Secretariat if and when there has been a finding of Non-Academic Misconduct as determined by these persons/bodies.
- 8.2 The length of time for maintaining notations on transcripts, as they relate to sanctions, shall comply with Appendix A.
- 8.3 Where there has been a finding of Non-Academic Misconduct, the file, other than that listed under 8.1, shall be destroyed upon the expiration of the sanction, provided that the file shall be kept for a minimum of two years beyond its last use.
- 8.4 In the event that the complaint is dismissed, the Student's discipline file relating to the case, which shall include all records collected for the case, shall be retained for a period of two years and the records shall be destroyed thereafter. No personal identifying information shall be retained following this period. A record containing the nature of the complaint and the dismissal of the complaint shall be kept indefinitely for statistical purposes only.

9 Extraordinary Power of Suspension and Exclusion from Campus

- 9.1 Cases of Non-Academic Misconduct that present a reasonable apprehension of a risk to persons or property should be brought to the immediate attention of the Associate Vice-President, Student Experience. The complaint shall take the form of a verbal, written or email report, sent by the complainant, including all relevant documentation and reference to all material evidence that is available at that time, and shall be submitted to the Associate Vice-President, Student Experience. The Associate Vice-President, Student Experience shall notify the President immediately upon receipt of such a complaint.
- 9.2 In cases where the Associate Vice-President, Student Experience considers that the Non-Academic Misconduct presents a reasonable apprehension of risk to persons or property, the Associate Vice-President, Student Experience shall have the right to issue an interim suspension order and/or exclusion from campus order to the Student.
- 9.3 Immediately following the issuance of the order under 9.2 and following the procedures under section 5, the Associate Vice-President, Student Experience shall complete his/her investigation, confirm or amend his/her Decision, and inform the Student of the Decision and his/her right of appeal to the Adjudicator and the

process to be followed. This shall be done within seven calendar days of having received the complaint under 9.1.

- 9.4 The Student has an automatic right of appeal to the Adjudicator. If the Student wishes to exercise his/her right to appeal a finding of Non-Academic Misconduct and/or sanction imposed by the Associate Vice-President, Student Experience under 9.3, the Student shall initiate the appeal process within fourteen calendar days of having received the Decision of the Associate Vice-President, Student Experience. The Decision shall be deemed to have been received by the Student three calendar days after it has been sent by the Associate Vice-President, Student Experience to the Student's UWin email address.
- 9.5 Appeal procedures are set out in section 6.
- 9.6 A Student who has been issued a suspension order and/or an exclusion from campus order under the provisions in this section 9 and is appealing the order to the Adjudicator may be permitted to complete and submit for evaluation through the Office of the Registrar any course work for assessment (including mid-term or final examinations, essays, *etc.*) which falls due while the review of the order is pending, subject to prescriptions or conditions set out by the Registrar (or designate).
- 9.7 Decisions of the Adjudicator under this section require the approval of the President (or designate). Once approved by the President (or designate), Decisions are final and binding.

10 Report to President

The President shall be notified of all Non-Academic Misconduct complaints and their dispositions.

APPENDIX A

I Determining the Sanction(s) to Impose¹

- a) Where there is a finding of Non-Academic Misconduct, as defined in these procedures, one or more of the sanctions listed below may be imposed by the Associate Vice-President, Student Experience and the Adjudicator (with the exception of #8 and #9, which require approval of the President as set out under section 9, and #10 which always requires the approval of the President), taking into account the nature and scope of the Non-Academic Misconduct, whether there was intent, the context in which it occurred, the Student's educational and cultural background and other relevant circumstances. Specific illustrations include (this list is not exhaustive):
- Whether the Student accepts responsibility for his/her action and is amenable to educative remedies
