Hosts are asked to pick up the students and take them to their department for the job shadowing component of the day.

Morning Activities

rotation: 9:30 am - 12:00 noon

The Science of DNA

Hosted by: Faculty of Science

The Faculty of Science activity will feature hands-on activities all about DNA. What is it, why is it important, and how can we see it? We will also explore the scientific careers related to the study of DNA, from Forensics and Health Science to Computer Science and even Environmental Science!

Experience FAHSS in a Box

Hosted by: Faculty of Arts, Humanities and Social Sciences (FAHSS)

Are you curious about what programs are in the largest faculty on campus? Come explore the Faculty of Arts, Humanities and Social Sciences through hands-on activities, enjoy great discussions and have fun while being an active participant. We want to ignite your passion, stir your curiosity, and show you the fun that you can have with FAHSS in a Box.

Explore Nursing Skills

Hosted by: Faculty of Nursing

Learn proper PPE use and handwashing techniques and test your hand hygiene! Practice doing compressions on our CPR manikins. Discover the human bones and organs through a fun interactive activity. Visit our SIM lab where you can listen to heart and lung sounds, feel for pulses and practice airway management on our realistic human manikins.

Afternoon Activities

rotation: 12:50 - 3:10 pm

UWindsor Engineering – Mechatronics

Hosted by: Faculty of Engineering

Participants will be introduced to Mechatronics Engineering by completing a series of challenges by changing parameters in the Arduino code to program self-driving autonomous cars (these cars are designed to be the size of a remote control car).

Odette Digital Marketing Launch

Hosted by: Odette School of Business

In groups, participants will design an ad for Take a Kid to Workday at UWindsor. As part of the exercise, team members will need come up with a concept, slogan, description. We will wrap up the activity with presentations from each group.

Game On: Unleashing Your Potential in Kinesiology and Sport Management!

Hosted by: Department of Kinesiology

Housed within the Faculty of Human Kinetics, the Department of Kinesiology focuses on the "human" in movement science and sport and recreation. During this activity the Student Success Coordinator will introduce you our programs in a fun and interactive way!
